<div><div></div> Preparation (scoping, developing terms of reference, hiring consultants)</div> <div><div></div> In progress (project has started and is ongoing)</div> <div><div></div> Completed</div>														

1 Multi-stakeholder consultations
2 Jordan: Climate change by-law has been passed; further work on developing a match-making platform for the private sector is in progress; Amman Climate Action Plan to support Amman's net zero goal has been completed

Country Highlights

ARGENTINA

- Carbon tax in place since 2018
- Exploring market-based instruments for the energy sector (green/white certificates systems)

BRAZIL

- Analyzed the impact of a carbon price on several sectors of the economy
- Considering a carbon pricing policy package

COLOMBIA

- Has a carbon tax in place
- Developing an ETS proposal, as per climate change law mandate

COSTA RICA

- Relaunched National Carbon Neutrality Program with offset rules
- Working towards introducing an emissions levy, operating a domestic verified emissions reductions market, and piloting a sector-based crediting program

WORLD BANK GROUP
Climate Change

pmr | PARTNERSHIP FOR
MARKET READINESS

Country Highlights

CHILE

- Implemented a carbon tax
- Launched a scalable MRV program
- Considering whether to extend its carbon tax, introduce a supplemental ETS, or a combination of the two

CHINA

- Soft launched a national ETS in 2017. Simulation ongoing in power sector
- Designing a policy framework for its national carbon market and advancing regulatory systems to ensure a functional ETS, with the aim of expanding it to seven other sectors of the economy

CÔTE D'IVOIRE

- Aligned the PMR program with the upcoming World Bank in-country Development Policy Operation and leveraged additional finance
- Engaged with the Transformative Carbon Asset Facility to mobilize additional results-based carbon finance
- Analyzing the options for a carbon tax in the energy, transport, and land-use sectors

INDIA

- Working on a road map for carbon pricing instruments in the waste and micro, small, and medium enterprises sectors, including piloting

WORLD BANK GROUP
Climate Change

pmr | PARTNERSHIP FOR
MARKET READINESS

Country Highlights

INDONESIA

- Mandated the use of economic instruments, including carbon pricing
- Assessing carbon abatement costs and sector baselines in target areas
- Assessment being carried out to pilot a market-based instrument, develop a data management system, and review emissions data for an MRV system

JORDAN

- Launched an MRV system and developing a registry
- Passed the climate change by-law to support climate action
- Developed the Amman Climate Change Action Plan to meet zero-carbon goal by 2050
- Identifying a role for market instruments to support energy efficiency in its residential building sector

KAZAKHSTAN

- Drafting its NDC for post-2020 United Nations Framework Convention on Climate Change (UNFCCC) submission
- Determining the cap for its ETS for the next allocation phase and conducting a legal and technical review of its registry

MEXICO

- Has a carbon tax in place
- Planning the pilot phase for the national ETS, as per climate change law mandate

MOROCCO

- Developed an MRV framework for market-based instruments

WORLD BANK GROUP
Climate Change

pmr | PARTNERSHIP FOR
MARKET READINESS

Country Highlights

PANAMA

- Assessing the role and design features of carbon pricing instruments in the energy sector, with a special focus on a potential carbon tax
- Developing the core building blocks for a domestic MRV system in the energy sector, including transport

PERU

- Assessing the impact of a carbon price on several sectors of the economy
- Designing Article 6 pilots and establishing infrastructure for an MRV program with international transfers

PHILIPPINES

- Assessing the potential of carbon pricing instruments to achieve its NDC targets. Analytical work started in March 2019

SOUTH AFRICA

- Carbon tax started June 1, 2019
- Developing a domestic offset scheme
- Designing an MRV system to support the carbon tax

SRI LANKA

- Assessing carbon pricing instruments for the power and transport sectors
- Designing an MRV system and registry
- Assessing a voluntary carbon offset scheme for domestic implementation

WORLD BANK GROUP
Climate Change

pmr | PARTNERSHIP FOR
MARKET READINESS

Country Highlights

THAILAND

- Has a carbon offsetting program, a voluntary emission reduction program, and a voluntary ETS in place
- Considering an appropriate carbon pricing instrument. All PMR activities are expected to be completed by October 2019. Based on these outputs, the government will prepare a Climate Change Law

TUNISIA

- Supporting national energy reform by assessing the impact of removing energy subsidies and implementing a carbon price

UKRAINE

- Draft law was prepared and submitted for Parliament's approval
- Planning implementation of an MRV system and exploration of a national ETS

VIETNAM

- Developing a national MRV, assessing carbon pricing instruments, working towards piloting a crediting program in the steel sector, and exploring carbon pricing approaches in the waste sector
- Developed a mitigation plan for the energy sector

Total Grant Allocation US\$ 79.8* MILLION

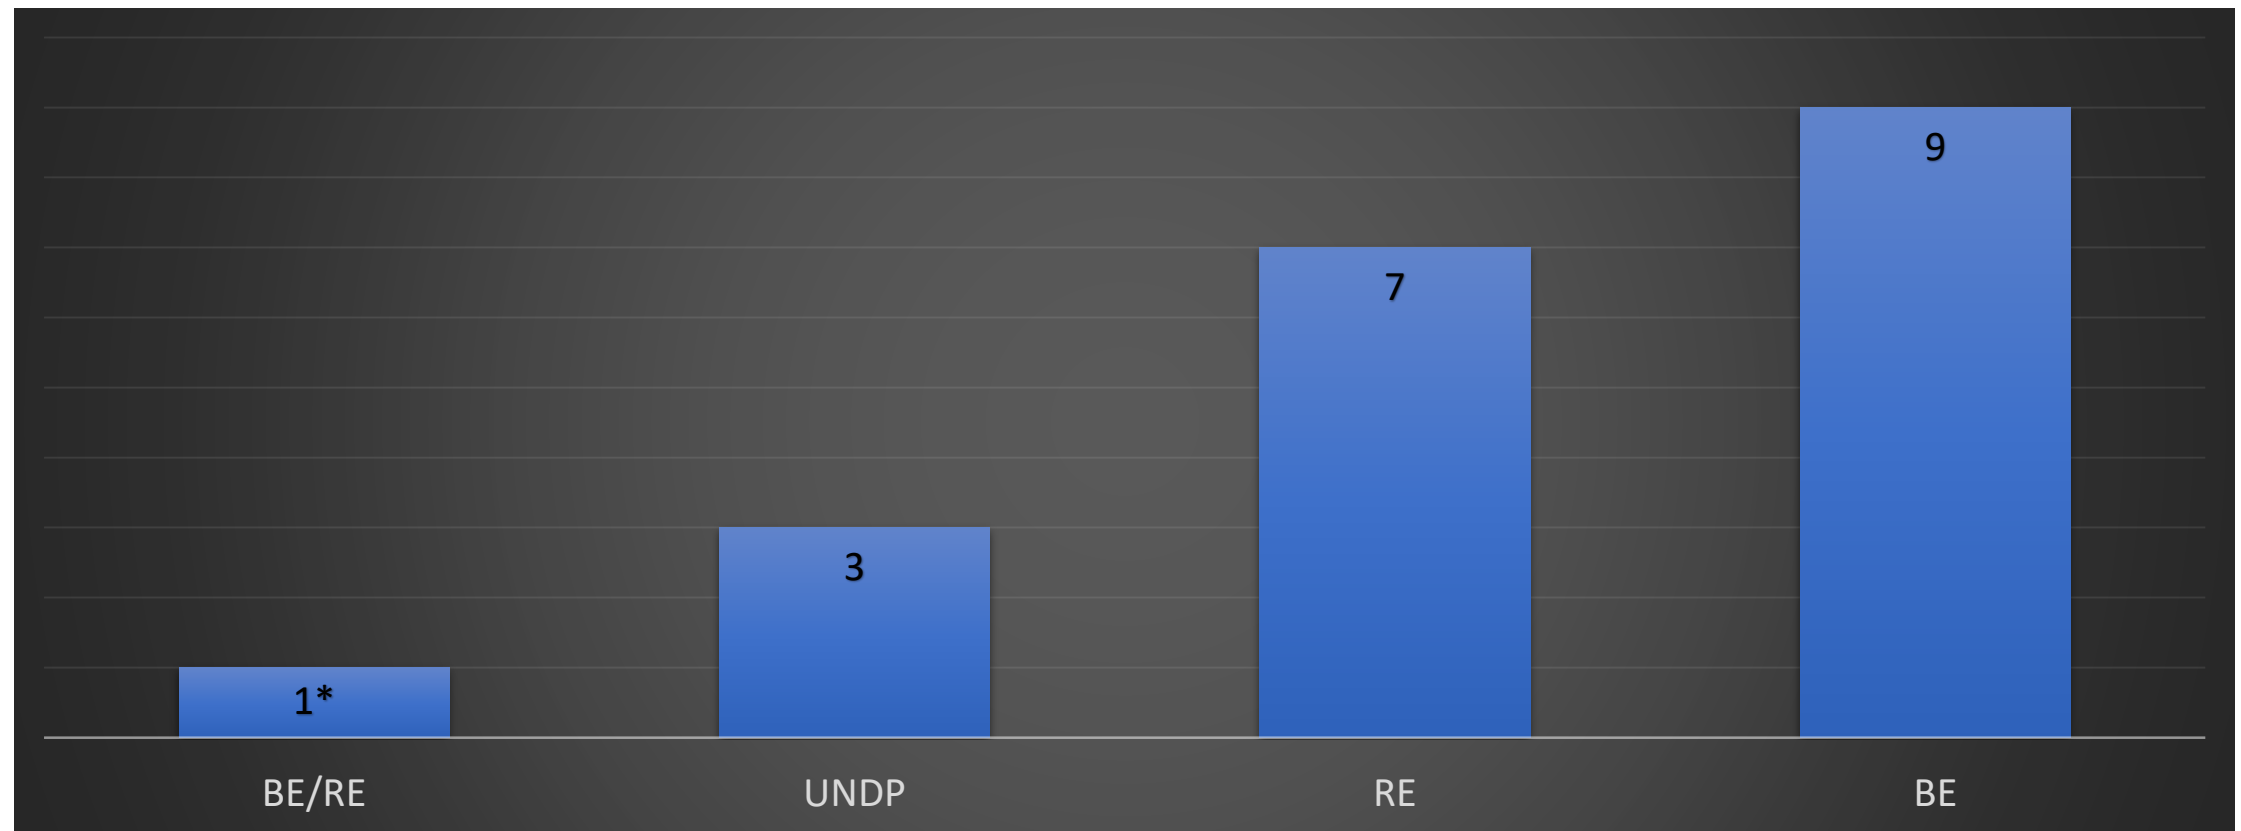

(Preparation + Implementation Grants)

- % Disbursed (includes total disbursement + commitments)
- Total Available Funds

*This total does not include India's US\$ 5 million RETF grant

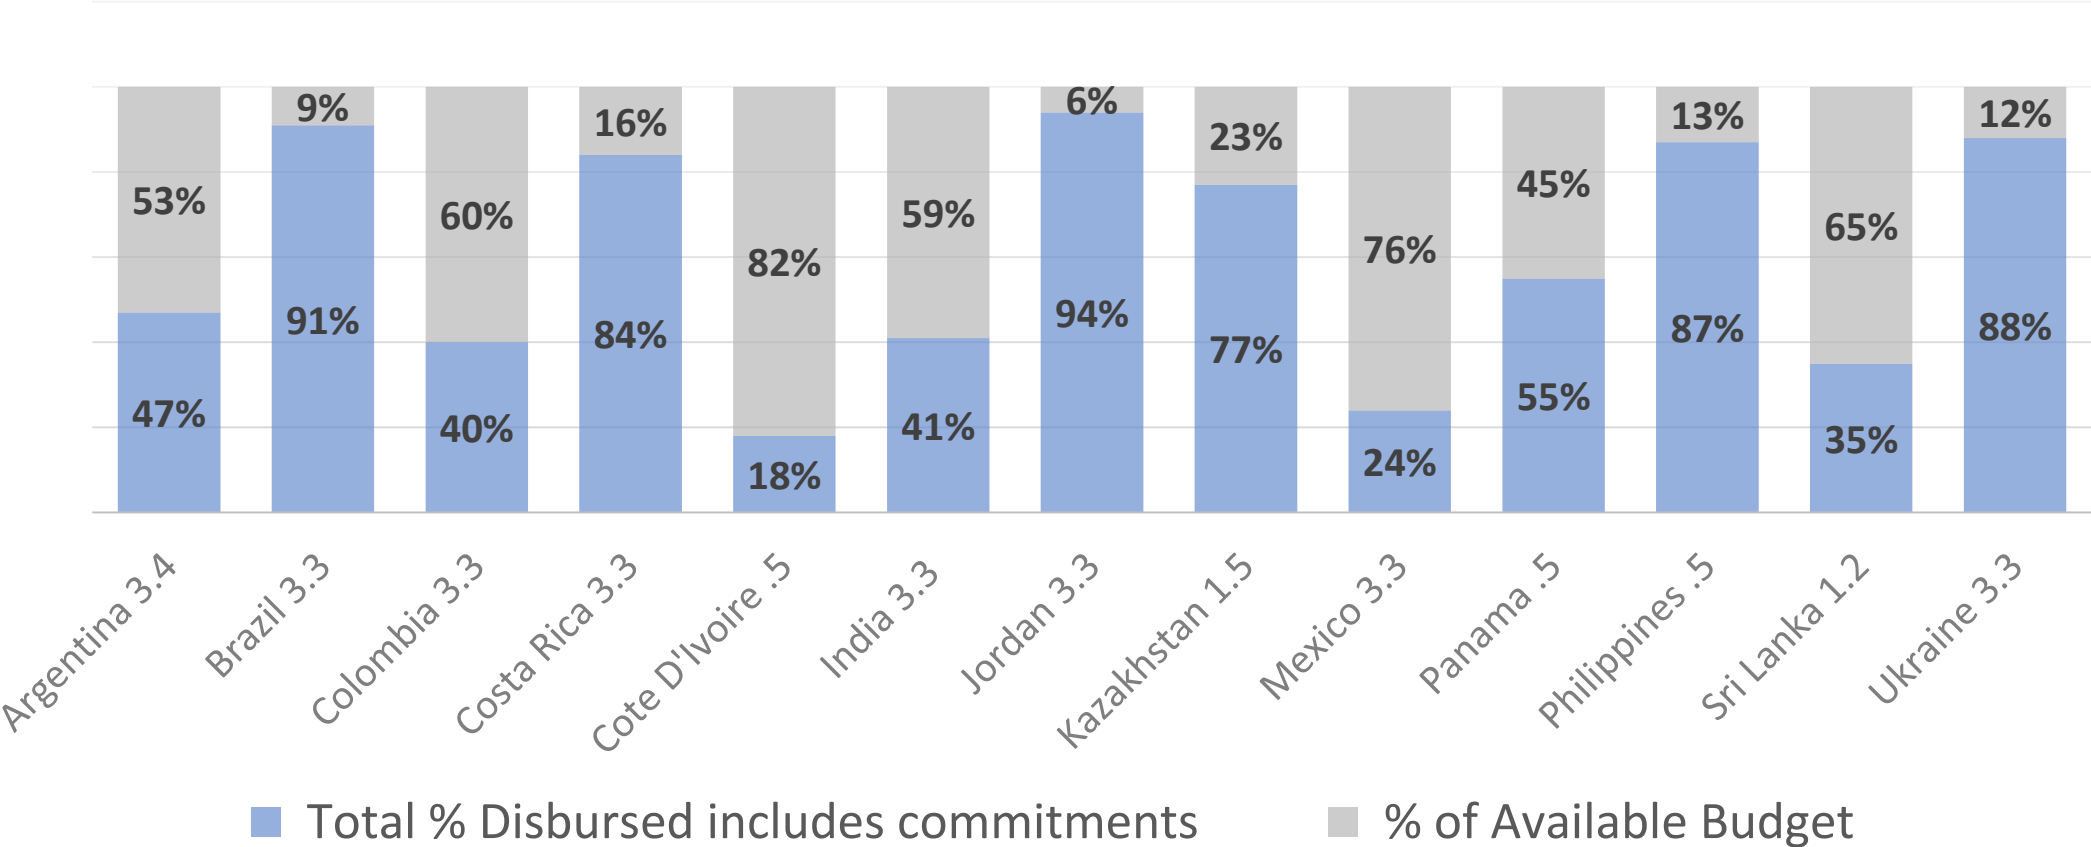

Grant Execution Modality

*One less BE/RE due to exclusion of India's RETF

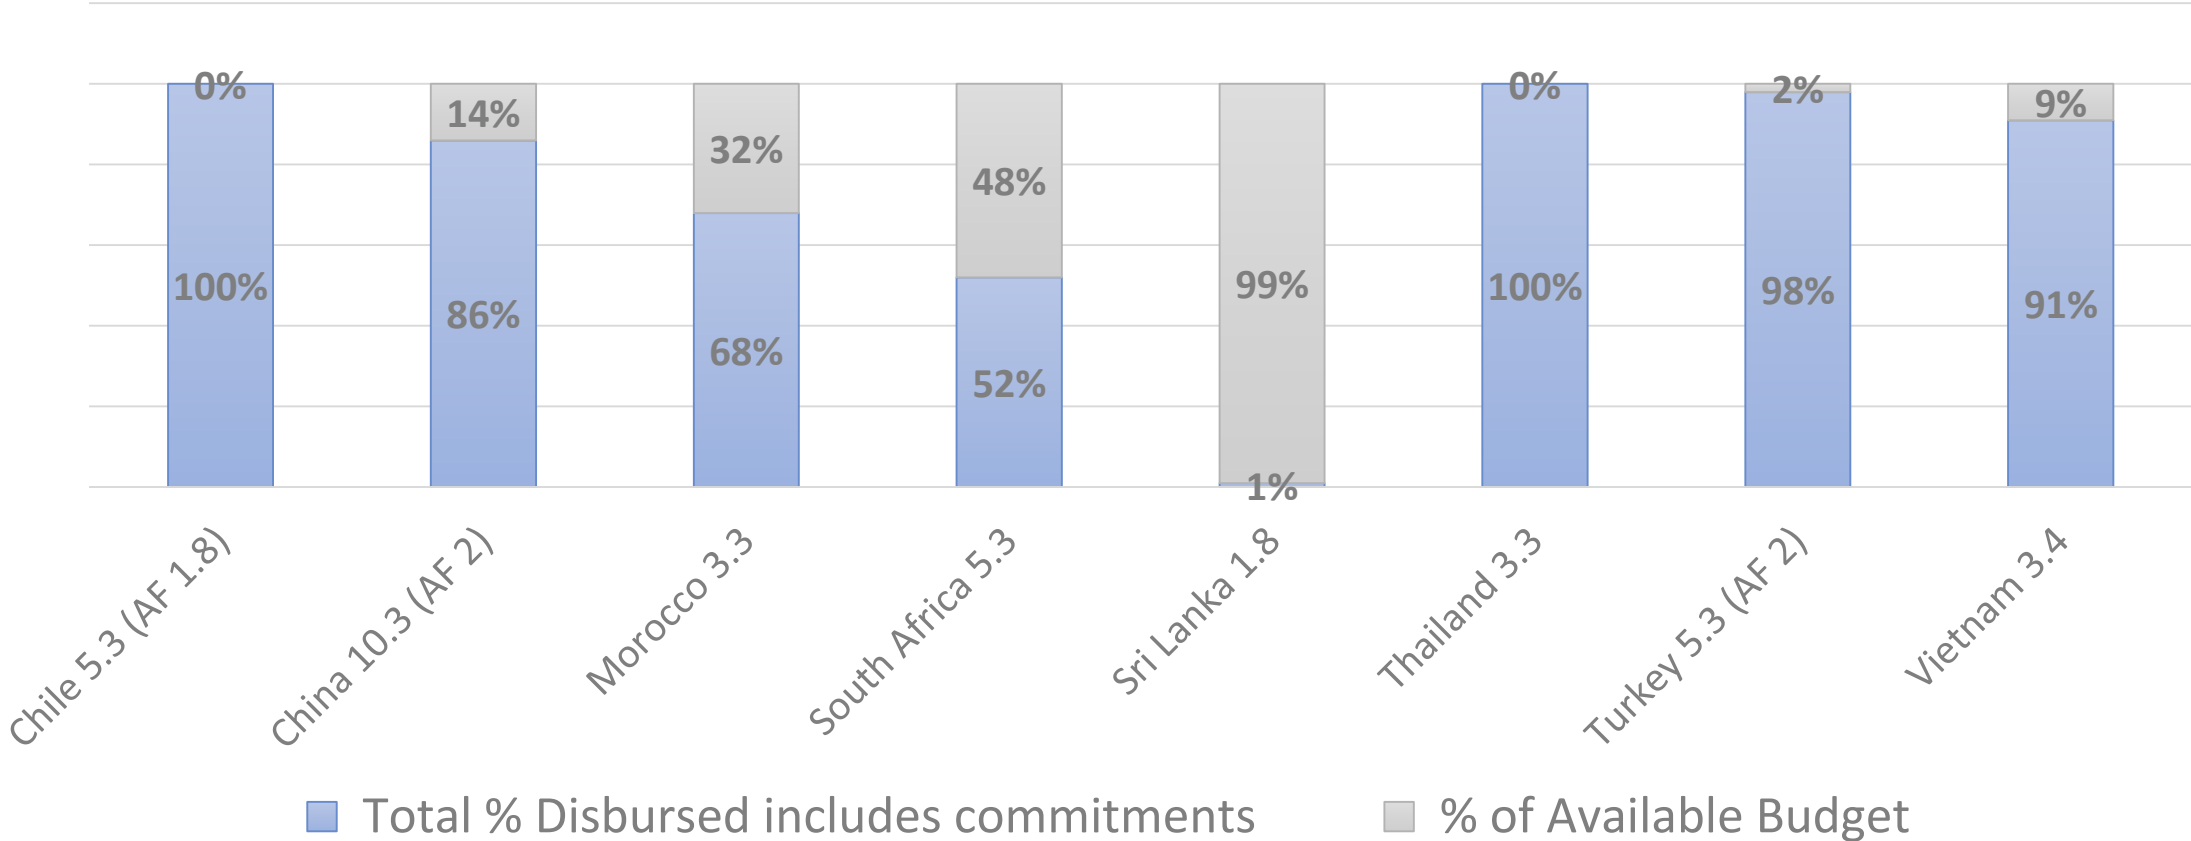

Status of Bank Executed Grants

(INCLUDES PREPARATION + IMPLEMENTATION GRANTS)

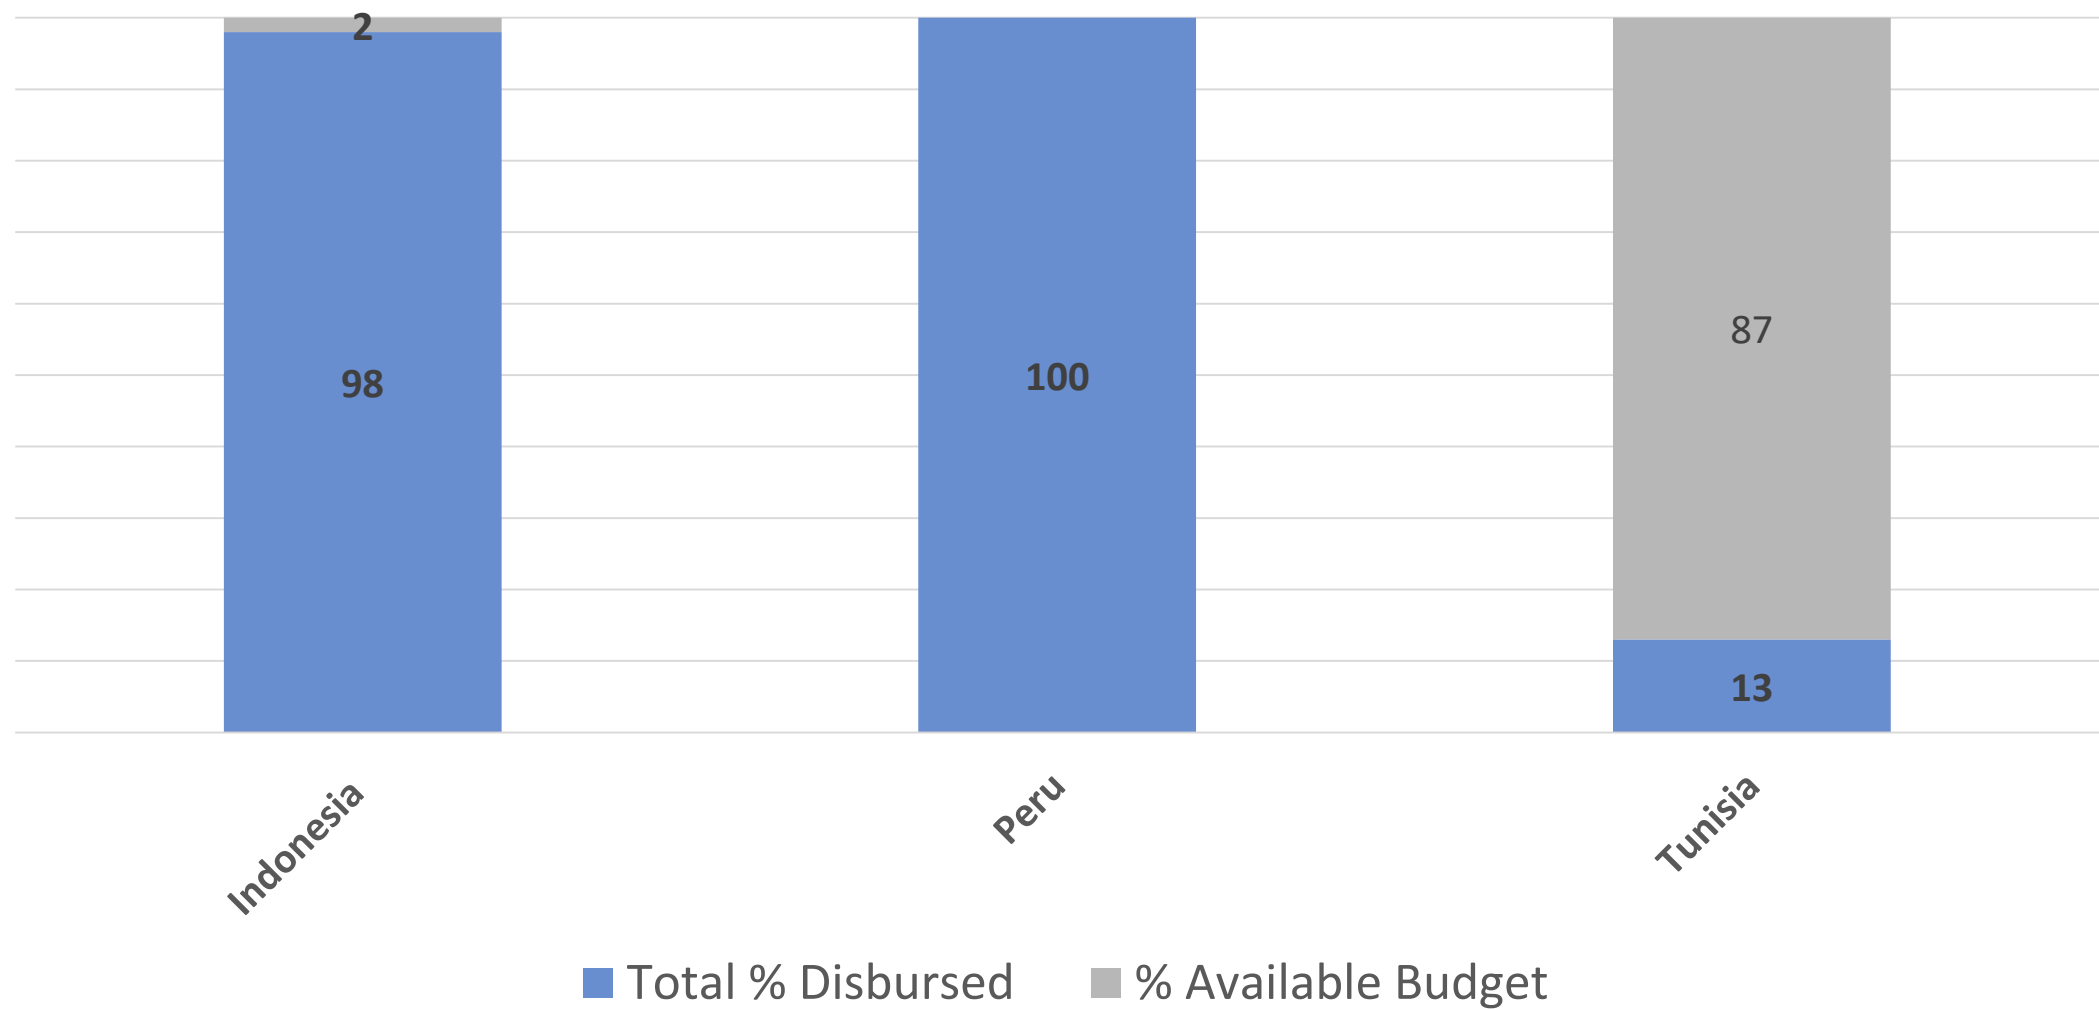

Status of Recipient Executed Grants

(Includes Preparation and Implementation Grants)

Status of UNDP Executed Grants

PMR Closing Dates

Countries	Closing Dates
Morocco, Chile	Completed
Thailand, Tunisia, Turkey	12/31/2019
China	2/28/2020
Brazil, Mexico	5/31/2020
Argentina, Colombia, Costa Rica, India, Indonesia, Jordan, Kazakhstan, Peru, South Africa, Sri Lanka, Ukraine, Panama, Philippines	6/30/2020
Vietnam, Cote d'Ivoire	12/31/2020
Sri Lanka*	2/28/2021

*RETF of US\$1.8 million grant

Country Analysis

Country	Status	Residual amount likely (US\$)	Closing date	Comments
Sri Lanka	Contracts are expected to be in place before December 2019. Actual position to be clear in January 2020.	700,000	February 2021	Presidential elections in November 2019
Tunisia	Some of the major studies of the project ongoing.	700,000	June 2020, extension needed till December	Major disbursements in 2020
Mexico	Review led to adjustment of activities. A revised implementation plan submitted with ISR	600,000	May 2020, Extension needed till December	Schedule for ETS piloting announced
India	RETF component will not go forward	5,000,000	June 2020	Will use BETF money to progress MBI in MSME
South Africa	Revised the unused amount downwards	1,000,000	June 2020	On course with a reduced scope
Chile	Program ended in August 2019	170,000		
Morocco	Program ended in March 2019	1,000,000		

Overall status

Completed: *Morocco, Chile*

On course for completion: *China, Turkey, Vietnam, Thailand, Jordan, Peru, Costa Rica, Panama, Brazil, Ukraine, Philippines, Kazakhstan, South Africa, Indonesia*

To monitor closely: *Argentina, Cote d'Ivoire, Colombia, India, Tunisia, Sri Lanka, Mexico*

Thank you
